

Palm Leaf Wall Lamp, France Circa 1970

850 EUR

Period : 20th century

Condition : Bon état

Width : 45

Height : 45

Depth : 10

Description

Wall sconce made around 1970. We love the simplicity of this sconce, composed of three palmettes made from dried and sewn palm leaves, attached to a white lacquered metal structure. The light passes through the plant fibers and casts delicate shadows, giving the whole a presence that is both discreet and poetic. A fine example of the 1970s taste for natural materials and warm atmospheres. France, circa 1970.
