Description

German school: probably. Landscape under the snow offering a view of a chalet on the edge of the forest. The gradient of blue-white color is smooth and very effective. The softness of the colors is emphasized by a large dynamic brush, almost sculptural, offering the viewer a most pleasant reading. Framed work: 36 X 49 cm. A video can be sent on request. A summary estimate of the costs inherent in the packaging as well as the transport provided by a professional will be sent to you, on request. Worldwide delivery.
