### Description

Perrier Coupe in Opaline Crystal - Cristal de Sèvres, France, Late 20th Century In original box - pristine conditionElegant and timeless, this Perrier coupe in opaline crystal, crafted by the prestigious Cristal de Sèvres, embodies the refined legacy of French decorative arts. Its subtly bluish milky-white hue and slender silhouette are enhanced by a delicate gold rim at the lip and base, evoking the grandeur of Marie-Antoinette's court and the imperial commissions of Napoleon I.Presented in its original blue case, stamped Opaline - Cristal Sèvres, and accompanied by a framed historical certificate, this piece reflects a revival of ancestral craftsmanship, faithful to 18th-century techniques. The original label -- "Coupe Perrier - Opaline CDL - Décor or" -- confirms its
