Description

Still Life of Flowers in a Medici Vase Italian School, 18th Century Oil on canvas Golden frame Canvas 88 x 120 cm Frame 107 x 142 cm Excellent condition The painting depicts an imposing display of flowers displayed outdoors in a wooded landscape. The majestic floral composition is contained in a Medici vase decorated with cherubs and masks. The countless botanical varieties are painted with great precision and demonstrate the artist's passion for this subject. The work exhibits the characteristics of 18th-century Italian naturalistic painting, reinterpreting in a more exuberant manner the still lifes of the 17th-century Flemish Masters. The large canvas is exceptionally decorative, complete with a splendid and impressive gold frame with exquisite plant decorations. The
