### Description

Napoleon III period marquetry writing desk. This piece of furniture opens with a door framed by two gilt bronze columns and reveals a storage compartment and two small drawers. A large drawer in the belt and a writing tablet that folds out and rests on the open drawer. The writing desk rests on four legs connected by a spacer topped with a covered gilt bronze urn. Beautiful marquetry with floral decoration. Very good condition. DIMENSIONS: 0.67m wide, 0.45m deep and 1.36m high. The writing tablet: 0.67m x 0.40m. Delivery on estimate.
