Description

Charming scene depicting a little girl with a litter of puppies and their mother. The scene takes place in a barn. In the center of the composition, the child is sitting in the straw, holding a puppy tightly to her. She herself is leaning against the dog, a large, gentle-looking animal. Two other puppies are sitting near the little girl. The child is smiling. In her haste, she lost one of her shoes, shown in the foreground. The decor is sober, and all the light is centered on the child. The work is signed lower left (artist to be identified). It is framed with a large, flat, matte black molding. The whole is in very good condition. Work visible at the gallery (07240) Shipping: contact us for shipping costs in France and abroad.
