### Description

For pierced ears. White gold drop earrings made of an oval coral cabochon held in 4 prongs which supports a motif consisting of a setting holding a modern brilliant-cut yellow diamond, an onyx disc to which are attached 2 rings set with modern brilliant-cut diamonds, and a drop of coral. These drop earrings are attached using a stud and a butterfly. Main material: white gold, 750 thousandths, 18 carats. Total weight of diamonds: approximately 0.12 carats. Length: approximately 3.8 cm. Net weight: approximately 5.3 g. Art deco style jewelry. Our opinion: With an ideal length, these art deco style drop earrings combine the brilliance of diamonds with the intensity of coral and onyx.
