Description

For pierced ears. Feminine dangling earrings made of an angel skin coral flower, centered by a small modern brilliant-cut diamond on an illusion setting holding a line of 5 modern brilliant-cut diamonds held with prongs and an asymmetrical drop of 8 strands of faceted black spinel beads. These coral earrings close with a racket clasp. Main material: white gold, 750 thousandths, 18 carats. Total weight of diamonds: approximately 0.20 carats. Proportions: Length: approximately 6.5 cm. Net weight: approximately 12.2 g. Coral and spinel diamond earrings. Our opinion: These coral pendant earrings sit perfectly on the earlobe and are the ideal length.
