Description

For pierced ears. Made entirely in length, art deco style dangling earrings made of an oval cabochon-cut jade mounted on a T-shaped hinge set with modern brilliant-cut diamonds. A rectangular jade plate forms the body of the earrings and holds underneath, using the same T-shaped motif, an asymmetrical drop of 8 strands made up of small faceted black spinel beads alternating with small faceted emerald beads. The attachment system is a stud with an openwork butterfly. Main material: white gold, 750 thousandths, 18 carats. Total weight of diamonds: approximately 0.30 carats. Proportions: Length: approximately 11 cm. Net weight: approximately 18.6 g. Jade earrings, art deco style. Our opinion: Long and original, these jade pendant earrings are a quality piece of
