

Pair Of Lamps In Brass And Bubbled And Hammered Glass, With Double Lights, In The Shape Of A Pagoda

880 EUR

Period : 20th century

Condition : Parfait état

Material : Brass

Width : 33 cm

Diameter : de la base 17 cm

Height : 67 cm

Description

Pair of two-light brass lamps, in the shape of a pagoda in hammered and bubbled 6-sided glass. The ornate frame is worked in volutes and is adjustable in height. The base is in the shape of a chiseled bowl with a pearl decoration around the edge. The electricity works perfectly.
