### Description

Venetian school of the 16th century. Oil on panel "the presentation of the Infant God to the Doge of Venice" unsigned. Italian school. 23 X 34.5 cm. Our painting dates from the end of the 16th century. It is a good example of the best of the artistic flourishing taking place in Veneto at that time, with illustrious masters such as Titian (1488-1576), Tintoretto (1518-1594) and Veronese (1528-1588). Despite the significant wear that hinders the reading of the center of the scene, the quality of the allegorical contours, their freshness and the dexterity with which they were conceived, give this work a power worthy of that which the serene one once demonstrated. Unframed. Significant wear in the center of the painting. 3800 euros.
