Wooden Mortar

180 EUR

Period : 19th century
Condition : Etat d'usage
Material : Solid wood
Length : 33 cm avec la poignée
Diameter : 17 cm environ à la base
Height : 13 cm

Description

Interesting monoxyl mortar, probably made of chestnut, from the 19th century. Thick-walled bowl, very solid to withstand the blows of the pestle. Strong handle with a beautiful patina which attests to authentic use. Alpine work? Found around Briançon... Some old cracks, the whole remains however robust. Weight: 1.992 Kgs. Delivery for mainland France: 15EUR. Other destinations: contact me.
