Period : 20th century

Condition : Bon état

Material : Metal

Description

Philippe Starck (1949), designerStarck Ashtray, Ray Hollis model, original 1986 edition, with the Starck signature. (The 1990 re-edition features the debossed XO brand mark). This sculptural ashtray consists of two assembled parts: a main container and a slightly curved, pivoting top section that acts as a lid. This mobile cover swings open seamlessly to collect ashes while preserving the object's clean, minimalist lines when closed.The piece presented here is one of the first models in polished cast aluminum, identical to the specimen in the Centre Pompidou collection, inventory no. AM 2007-1-141. Condition: Good condition with light signs of wear visible in the photos. Perfectly clean. Dimensions:Height: 10cmLength: 11.5cmWidth: 7.5cm Further information available upon
