Description

This Romanticism painting depicts an oriental landscape with rocks, the sea is visible in the background. In the foreground is a monk praying at the cross. A lion is walking nearby. This painting is dedicated by the author, famous historical painter Lodovico Aureli (1816 - Bologna - 1865) to the famous Christian legend of Saint Jerome and the lion. As it's known, Saint Jerome lived with his followers in Bethlehem (at the time Syria, Palestina, now Israel) and the author put this story into an oriental landscape. Full story about Jerome and Lion read under following
