

18th Century Religious Scene

380 EUR

Period : 18th century

Condition : En l'etat

Material : Oil painting on wood

Length : 25,5cm

Width : 16 5 cm

Description

Pretty little religious scene from the beginning of the 18th century with a skull, symbol of vanity, and a small dog, symbol of fidelity and a female character in devotion or meditation in front of the cross. The scene is painted on a wooden panel. It is full of charm and tranquility despite its small lack of paint everywhere. For those who love perfection, a restoration is essential.
