Description

Orientalist school "the Bedouin woman on her donkey leaves the camp" signed lower right J. Mercier de Latouche. French school. 46 X 38 cm. J. Mercier de Latouche (19th and 20th century). We have very little information on this artist with his sure talent and soft palette. If the painter is known for his snow landscapes, here, he has accurately rendered all the immensity of the desert, reminding us how humble man must be in the face of the nature that surrounds him. Wooden frame and modern gilded stucco. Cracks on the canvas which do not hinder a good reading of the painting. Good general condition. 480 euros.
