Description

Charming and rare model of a finely carved walnut burl desk. The model features knob-shaped feet, a small drawer with lost-wax cast bronze handles, and a drop-leaf top, also equipped with small sliding supports and opened with a bronze key. Inside, there is a small drawer with flower-shaped bronze handles, lending it great elegance. This exquisite piece will enhance any room with a touch of class and curiosity. English manufacture, "Queen Anne" style, early 19th century.Dimensions: H x W x D 34.5 x 31 x 22.5cm
