### Description

Beneath a gilded frame with finely sculpted reliefs, this exceptional mirror captures all the grace of times gone by. Its mythological frieze, animated by light dances and eternal silhouettes, evokes the beauty and freedom of the Muses. Each detail tells a story, each reflection becomes a new scene. A rare and soulful piece, "Le Reflet des Muses" combines the elegance of ancient art with the timeless charm of the light it reflects. A mirror that does more than just reflect. This exceptional mirror combines gilded wood and gilded metal bas-relief, creating a subtle contrast between the living material of the frame and the refined brilliance of the metal. The upper frieze, finely chiseled, represents a dancing mythological scene, a true work of art in itself. The gilded metal reliefs capture the light and enliven the
