Very finely crafted wrought and gilded iron chandelier, patinated and gilded, with six lights and others integrated. Magnificent hanging in rock crystal and amethyst of very good quality.

Very rich and fine hanging in rock crystal with amethyst accents. The chandelier is topped with a canopy-shaped crown, typical of Piedmont chandeliers. The chandelier was sold in the 1970s by the famous art dealer Piero Accorsi. The addition of interior lighting was a typical additional measure he had taken.
