1 950 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

Width : 132

Height : 100

Depth : 52

Description

Antique 2-door, 2-drawer sideboard from the Louis Philippe period, French-made. The sides and top are made of solid walnut, the front is in walnut burl, and the interior is in oak. The piece has been restored in our workshop to its original beauty. The interior has been lined with Florentine lily-patterned paper. The lock in the center of the drawers, which closes both at the same time, is a distinctive feature.
