Description

Elegant 18k yellow gold bracelet with a contemporary design inspired by classic links. This piece features alternating, slightly flattened oval links, precisely connected to provide a perfect balance between flexibility and structure. The finely polished yellow gold exudes a warm, luminous glow, enhanced by the purity of the lines and the quality of the Italian goldsmithing. Its clean, timeless style makes it a versatile piece, which can be worn alone for a simple, elegant look, or combined with other bracelets for a more assertive effect. The discreet, solid clasp integrates perfectly into the ensemble, ensuring comfort and security.
