

Little Black Forest Bear, Carved Wood, 19th Century, Very Good Condition

95 EUR

Period : 19th century

Condition : Parfait état

Material : Solid wood

Description

Small carved wooden bear, "Black Forest" / Brienz work, late 19th century. Finely detailed, open mouth with polychrome fangs and tongue; glass eyes. Beautiful patina, perfect condition. Objects of many recent copies, old authentic bears are becoming difficult to find! Length = 13.2 cm, width = 4.5 cm, height = 7.2 cm. Extremely careful shipping in addition.
