Description

Beautiful and large Berber wedding blanket with ethnic patterns on lines laid across the width, 1970 - 1980. Virgin wool of the finest quality. Blend of sheep wool. Natural and traditional colors. Rare because today these wools originating from the Maghreb and for our model originating from the High Atlas in Morocco, are no longer carded and spun by hand as before. Very soft, washed carefully. This blanket measures 155 cm wide by 250 cm long. ## The pure virgin wool comes from the first shearing of the animal, soft and of good quality. The yarn does not contain more than 0.3% synthetic fibers. It is not recycled. Pure new wool comes from live, healthy and well-treated animals.### Photos of various other blankets that you will find on our gallery. FREE SHIPPING FOR FRANCE as for
