

Marine Painting

230 EUR

Period : 20th century

Condition : Bon état

Material : Oil painting on wood

Description

Lovely small pair of framed oils on wooden panels showing 2 marine scenes. Origin France period 1900 The first with a ship with 2 large masts sailing on a rough sea The second with a scene of several fishing boats at the start sailing around an islet with a tower. Format of the 2 panels 22x16cm Good general condition, we will note slight lacks of paint and the varnish which has yellowed. Trace of an illegible signature on one of the paintings.
