

Pair Of Chrome-plated Metal Stools Bauhaus, Thonet, Breuer, Adnet... Circa 1930

900 EUR

Signature : école du Bauhaus

Period : 20th century

Condition : En l'etat

Material : Metal

Length : 30

Width : 30

Height : 47

Depth : 34

Description

Pair of stools made of curved steel tubes, formerly chrome-plated. Base made up of two tubes that cross to form an X under the seat and at the base. Comfortable seat upholstered in red moleskin with beige piping. Designer to be identified, creation from the 1930s, typical of Bauhaus creations. As is, would deserve a nice restoration. Height 40 to 47 cm - width at the base 34 cm, seat 30²
