### Description

Very imposing oak crucifix, 105cm, France 19th. Very very beautiful patina! This Christ is presented to us with his head tilted to the right, his hair falling in curls over his shoulders, crown of thorns, pierced palms, short perizonium tied on the right hip. No injury on the side. Very beautiful work of sculpture, this Christ is presented in three distinct parts (body, left arm, right arm). The base is also in three distinct parts. It is decorated with foliage and branches. Everything is very solid. No traces of signature or date. Dimensions: Christ: 56x37cm Cross: 83x45cm Base: 26x20cm, H22cm Free shipping for mainland France. Contact by email preferably. I remain at your disposal for further information or additional photos.
