Description

Beautiful mantel clock in spelter depicting two cherubs playing with a basket of flowers and fruit, on a white marble terrace without chips or cracks. It contrasts perfectly with the impeccable patina of the sculpture. The clock is a Paris movement on an enameled dial with Arabic numerals, the hands are in gilt bronze with openwork decoration. The protective glass is intact. A cartouche on the front bears the inscription "FLOREAL by J. CastellamareDimensions of the base: Width: 42.5 cm Depth: 19 cmInformation and other photos on request
