220 EUR

Period : 18th century

Condition : Restauré

Material : Earthenware

Length : 29 cm

Width : 18 cm

Height : 10 cm

Description

Earthenware terrine from Rambervillers (Vosges). Late 18th century. Rare shaped piece from the Rambervillers earthenware factory. Decorated with figures in a gallant scene in the Louis XV style, the other side represents a child feeding a rooster and a hen under the supervision of his mother. See photos in the reference book (neighboring style piece photographed). Piece that has suffered the uses of time: cracks on the bottom with a small missing material filled and a chip on the repaired base. Length 29 cm, width 18 cm, height 10 cm
