Description

CEM THIAUY Console, circa 1980
Elegant console table with a slightly stepped rectangular top, crafted in Zebrawood veneer and adorned with a sumptuous marquetry decoration made from various wood species. The graphic composition of the tabletop, inspired by the American skyline, plays with contrasts of tones and textures, evoking both architectural precision and urban light. The vertical lines of the legs harmoniously extend the dynamic of the upper design, giving the piece a sense of movement and depth. Dimensions: Height: 76 cm -- Length: 100 cm -- Width: 40 cm
