### Description

This is a stunning and sophisticated piece of mid-century furniture. 1970s Italian design often combines elegance and practicality, making this coffee table truly unique. Its rectangular shape, combining aesthetics and functionality, makes it a versatile addition to any living space. The top is divided into two sections, one with a sliding glass door revealing a dedicated compartment for your favorite bottles. This fantastic detail will allow you to easily access the drinks you serve to your guests. Additional details, such as the niches at the bottom, make it practical and offer additional storage space for magazines or other everyday items. It is in very good condition with minor signs of use consistent with its age. This coffee table would be a functional and attractive addition to a living room, embodying the high-quality
