Description

Pair of candlesticks with two light arms in stretched translucent glass. Refined work of twisted glass forming sinuous arms, and a tripod base decorated with volutes and stylized dolphins, typical of Venetian glass art. Note a chip on one branch and a tiny crack on a bobèche. Period 20th century, attributed to Murano. Dimensions: H 20.5 x W 27 x D 14 cm approximately The airy and fluid design highlights the crystalline transparency of the glass, playing beautifully with the light. The whole demonstrates great craftsmanship, combining lightness and balance in a composition that is both decorative and functional. This pair of candlesticks will offer a subtle and delicate touch of light to your interior! ***** I manage delivery for you in France as well as internationally. Shipping terms depend on the
