

Large Nuna Healing Statue Burkina Faso

4 500 EUR

Period : 20th century

Condition : Etat d'usage

Description

This statue is exceptional for its size 117 cm and 123 cm with the base, its rarity, there are very few on the market, by the richness of the scarifications, and its originality which is its planed feet, this is due to the numerous samples taken by the shaman in order to prepare medicinal and magical potions and ointments. Here is a similar one at the Louvre museum => NUNA
