Wrought Iron Cellar Rat. Burgundy, 18th Century

185 EUR

Period : 18th century
Condition : Bon état
Material : Wrought iron
Diameter : 13cm
Height : 25cm

Description

An unusually intricate iron work, with numerous additional decorative loops below the spiral and an intricate nut, all in a typical 18th-century style. In very good condition for its age, but with the usual loss to the feet.
