

## Wrought Iron Cellar Rat. Burgundy, 18th Century

185 EUR

Period : 18th century

Condition : Bon état

Material : Wrought iron

Diameter : 13cm

Height : 25cm

### Description

An unusually intricate iron work, with numerous additional decorative loops below the spiral and an intricate nut, all in a typical 18th-century style. In very good condition for its age, but with the usual loss to the feet.
