Description

A sublime creation by Mesure et Art du Temps, these 18-carat yellow gold earrings stand out for their sleek, contemporary design. Inspired by natural lines and the fluid movement of light, they evoke a discreet yet resolutely assertive elegance. Their elongated, drop-shaped shape highlights the grace of the face and captures the light with every movement. Designed to be worn both everyday and on special occasions, these earrings embody the expertise and taste for excellence that define Mesure et Art du Temps. Crafted in polished yellow gold, they seduce with the purity of their radiance and the finesse of their finishes. A timeless piece, a symbol of refinement and femininity, designed for lovers of authentic jewelry.
