Description

The Lueurs d'Aube 18-karat gold sleeper earrings embody the softness and light of a timeless piece of jewelry. Designed to capture the radiance of the dawn, they reflect the natural beauty of gold in all its nuances. Each piece is crafted in 18-karat yellow gold, offering a warm and intense reflection that discreetly illuminates the face. Their dangling shape, both fluid and balanced, lends a delicate and graceful movement to each wear. The mirror polish enhances the metal's surface, revealing a pure and elegant shine. Lightweight and comfortable, these sleeper earrings are designed to accompany the modern woman from morning to night, with refined ease and an effortless allure. Les Lueurs d'Aube are more than a piece of jewelry: they are a celebration of light, femininity, and masterful
