

## Double-leaf Entrance Door 216x126 With Double Glazed Top Light

980 EUR

Period : 20th century

Condition : A restaurer

Material : Pine

Width : 126

Height : 216

### Description

This double-leaf entrance door is interesting for its modest dimensions of 216x126: the right-hand leaf in the photo, therefore the opening, is 65cm and the left-hand leaf 61cm. Each door has a glazed section at the top, to bring in light.
