Description

Very beautiful painting by Huberti Antonio, Catalan painter born in Barcelona in 1898 and died in 1980. Settled in Paris in the 1920s, mixed technique with collages. Cubist pictorial technique. Before returning to his native country, he gave all his production to a friendly family! We are starting to see some works on the art market! He did not have any exhibitions in art fairs or galleries. Here is a very beautiful representation of his immense talent with this sheet of cardboard with collages and a female portrait. Very decorative and of beautiful pictorial quality! Format 50x40 cm. Signed and in very good condition!
