

## Bayeux Porcelain Lamp

980 EUR

Signature : Bayeux

Period : 19th century

Condition : Très bon état

Material : Porcelain

Diameter : 17

Height : 42,5

### Description

Superb Bayeux porcelain lamp from the Gosse period, mid-19th century. Superb hand-painted cartouche with Chinese decorations, flower cartouche, and quiver cartouche on a celestial blue background with gold decoration. The whole is of high quality. Openwork wooden base. It works, note slight superficial cracks in the enamel (not in the porcelain). Very beautiful lamp
