

Louis XIV Period Mirror, Curved Molding In Blackened Pearwood And Carved Gilded Wood, Mid-17

4 500 EUR

Period : 17th century

Condition : Très bon état

Material : Gilted wood

Width : 57 cm

Height : 65 cm

Description

Very beautiful mirror, both simple and elegant because it has no decorative overload or pediment. The frame is made of a curved molding, certainly in blackened pear wood giving the effect of ebony, this one is decorated with added motifs carved in scrolls and acanthus leaves in gilded wood. Two small gilded scroll moldings frame the black molding with refinement. Antique mercury mirror in very good condition. French work from the mid-17th century, Louis XIV period.
