### Description

Oil jug, in green glazed terracotta, Saintonge, La Chapelle-des-Pots late 18th century. Beautiful iridescence. Mark of the potter's thumb on the handle. The potty-shaped body, equipped with a handle, this jug presents despite the fairly significant enamel jumps an undeniable charm and presence. Structurally the condition is good. No cracks, nor any trace of any fragility. This piece brilliantly combines collection and decoration. Free shipping for mainland France. Contact by email preferably. I remain at your disposal for further information or additional photos.
