

Pair Of Empire Candelabras In Gilt Bronze And Patinated Bronze, Circa 1810

4 800 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Length : 48

Width : 24

Description

Pair of Empire candelabras in gilt and patinated bronze, circa 1810. Elegant pair of Empire candelabras, each carried by a patinated bronze female figure supporting a three-armed gilt bronze basket on her head. The fine chiseling and the contrast between matte and shiny gilding reveal a work of great quality. The bases are richly decorated with neoclassical motifs.
