Description

Exceptional pair of bronze torches, "flame" model, from the late 19th/early 20th century, circa 1900, electrified. In the Louis XVI style and featuring a suspended torch hung by a knotted ribbon to be applied to the wall. The quality of the casting and chiseling, as well as the very large dimensions of these ceremonial torches, make them a truly exceptional piece. Each torch weighs 10 kg and measures 105 cm in total! Torch height: 83 cm Torch height with flame tulip: 105 cm Perfect condition, nothing to complain about.
