reconditioned to give them a second life and the best possible condition. However, these watches remain pre-owned watches and may have some scratches/traces of use. In addition, when necessary, the dials are renovated by a master craftsman. It is also possible that the dials are or have been changed in the past by service dials as part of the refurbishment of our watches. As our timepieces are pre-owned, no guarantee on water resistance will be given. We of course remain at your service to provide you with the best possible information on the condition of these watches.

RETURN POLICY: Following numerous abuses, we specify that returns are accepted within 14 days provided that the item is returned in the same condition in which it was sold. The return is void and therefore not valid from the moment the watch has been worn, or damaged in any way (shock, broken or lost glass, missing screws or any other part, damage due to the presence of water, etc.). We remind you that you are purchasing a high-end watch, we recommend that you take the greatest care of it. This watch is not designed for sports, swimming, washing, going to the hammam or sauna, or for any risky activity. Ref_1002
