### Description

COD 11385 Pair of Italian bedside tables from the 1960s and 1970s. Carved and veneered furniture in mahogany, burl, and fruitwood, of fabulous lines and excellent service. They have a drawer, an open compartment, and a door, offering plenty of storage space. The wooden top is adorned with a rounded shelf (see photo). The bedside tables are supported by four sturdy legs, two of which feature ebonized wooden rings (see photo). These bedside tables are part of a complete set of dressers and mirrors, sold separately (see photo and request a bulk price if available). These beautifully decorated night stands are ideal for a bedroom or living room, and are ideal for antique dealers and interior decorators. They have a beautiful patina and are in good condition. As each of our products it will
