

Cross In Fretted Wood, Velvet Frame, Late 19th Century

220 EUR

Period : 19th century

Condition : Très bon état

Material : Wood marquetry

Length : 56cm

Width : 45cm

Description

Fretwork wooden cross in a hexagonal velvet frame. France, late 19th century. Beautiful fretwork, some missing parts (see photo). The frame consists of a wooden board covered with a green fabric on the front, pink on the back. A thick velvet rod enhances the whole, bringing body to the whole. Hanging ring on the back. Dimensions of the cross: 41x27cm Free shipping for mainland France. Contact by email preferred. I remain at your disposal for further information or additional photos.
