Condition : Très bon état

### Description

Lovely art deco brooch, geometric in shape, paved with green emerald-like stones, on a silver mount. The fancy stones are beautifully set, as it is an antique jewel, and have inclusions to increase the disturbance. The brooch has a safety clasp and has been hallmarked with a crab (French hallmark for small works guaranteed 800/1000 between 1838 and 1962). Some micro-scratches on the stones (normal with age), otherwise very good condition. A spectacular effect on your lapel. Stone size 15 MM x 15 mm
