Cast Iron Plate From The Late 17th Century

220 EUR

Period : 17th century
Condition : Bon état
Material : Wrought iron
Length : 20 cm

Description

Cast iron plaque from the Louis XIV period, depicting a warrior on a chariot pulled by two lions. Very fine quality of execution, rich in details. An old restoration on the lower edge, to repair a break between the lions and the chariot; otherwise very good condition. Length: 20 cm
