Description

Lovely miniature on ivory representing a gallant scene in a garden. Although signed AUBRY, this miniature is not the work of François Louis AUBRY but of one of his followers. It dates from the middle of the 19th century and follows the codes of the 18th century. Nevertheless, the composition and the quality of the production are charming. Diameter of the miniature: 5cm Frame (modern): 17.5 x 17.5 cm
