Description

Pair of bonsai from the early 20th century in hard and semi-precious stones presented in gilded cloisonné bronze planters. Very beautiful harmonious work representing flowering trees positioned naturally in very pretty small polychrome cloisonné bronze planters. Excellent condition for this set without any accident using many varied and multicolored semi-precious stones. The artist used white jade, agate, rock crystal and turquoise among others to create a luminous and lively effect. Very beautiful decorative effect for this pair which will adorn in symmetry a chest of drawers in a beautiful collection. Possibility of sending in France and worldwide by secure and insured package with order tracking. Invoice and certificate provided.
